Welcome 2021

2020 was an intense year, and we're not even talking about all the waiting for Bridgerton. So we thought about making a second edition of our calendar, this time with beautiful pictures of our characters.

We want to thank the partnership for this crazy year, all the support, conversations, messages, comments and many outbreaks shared in these months.

Above all, we are fans who love Julia Quinn's work and hope that the series is an absolute success! Our job is just a grain of sand in the middle of an ocean of talented people who put their blood into making this series a reality.
